WHY EXHIBIT?

▶ What people are saying

"We love the opportunity to meet new agencies along with engaging with our existing clients!

Nothing is better than the IIAV Trade show for helping us with this!"

The Trade Show is the reason our agency will be returning to the entire convention with multiple attendees. We found the networking and youthful energy very engaging last year. We made some very good connections as well as reaffirming some current relationships with carriers and agents too. In addition to all this, it was fun!

John W. Atkins, III, CIC,
Lewis Insurance Associates

"The 2019 IIAV Convention was such a great experience for our agency! As a new IIAV member, we loved networking with other independent agents, meeting representatives that we have done business with over the years, and making new connections with new companies and vendors was very exciting! As a new independent agent, coming from a direct writer background, we love being a part of this professional and supportive organization who is there to support us and help us grow in every step of our new path! We can't wait until 2020 IIAV Convention!"

Lynn Cary-Wheeler
Cary-Wheeler & Associates, Inc.

"It is a great way to connect with our valued partners and meet new potential customers. We do not have many avenues to showcase something new, promote an innovation or product, or brand our value proposition with the independent agency channel. This has been a great event for our industry! We look forward to this event every year."
